

BOOK FESTIVALS EXPRESS ENTRY FORM

This multiple entry form is designed to speed up the process of entering different festivals and cut down on the number of books needed for shipment.

If you are entering four or more different competitions, use this form to indicate which titles and categories. Fill out the form with credit card number and send just two copies of your book. You're all set!

The judges from our various competitions will evaluate your book against similar entries in the category of your choice, comparing your work against later entries in the competitions.

You will be notified via email when we receive your package. Each entry is \$50 per book, except for the Hollywood, Holiday, Amsterdam, Beach, Pacific Rim, Green and Northern California festivals, which are \$75 per book/per category. Deduct 10% from your total.

Please note that you must enter four different festivals, not four books in the same festival, to be eligible for the discount.
